New ARC Living Master™

Minnehaha Falls in Winter
by Mary Pettis

ARC is pleased to welcome Mary Pettis as our newest Living Master™.

"Mary Pettis divides her time equally between the studio and outdoors. Her decades of training and the experiences from hundreds of plein air paintings are a catalyst for a symbolic visual language of expression that celebrates the beauty, dignity and worth of this world and its inhabitants."

Alma-Tadema Exhibition

A Coign of Vantage
by Lawrence Alma-Tadema

Alma-Tadema: At Home in Antiquity explores Lawrence Alma-Tadema's fascination with the representation of domestic life in antiquity. Born in the north of the Netherlands, the exhibition traces his early training and move to London in 1870 where he established a hugely successful career at the heart of the artistic establishment. His work fixed ideas in the popular imagination of what life in the ancient past might have looked like - ideas and images that were taken to the stage, film and that remain with us today. The exhibition includes important works by Tadema himself, his wife Laura and daughter Anna with loans coming from public and private collections internationally.

In conjunction with this exhibition are workshops led by Ann Witheridge, director of the ARC

Approved™ London Fine Art Studio. To learn more about these programs, please click [here](#).

The exhibition takes place at the Leighton House Museum-12 Holland Park Road, London W14 8LZ and runs from July 7 - October 29, 2017.
